

To Whom it May Concern,

The Blanden Arts Festival is a free family-centered festival that highlights the artistic talent, live entertainment, and interactive art activities for visitors. The festival connects the community with local and regional artists in a historic setting on the grounds of the Blanden Art Museum located in the Historic Oak Hill District. The festival brings together visual artists, performing artists, and the community for a one-day event to enjoy, experience, and appreciate Iowa arts.

Due to COVID restrictions, the Blanden has not been able to host the festival. The last festival was in 2019 and was a huge success. As in the past, children art making activities, artists selling their work, and musical entertainment will make this event a success. It will be held on Saturday, June 11, 2022.

Consider the promotional value your business will receive by becoming a sponsor of this festival. Your company logo will appear on our website and in our newsletter. Our website averages 800 visits per month and we distribute 250 copies of our newsletter. Donations of \$150 or more will also have their company logo displayed on the Blanden grounds during the event, as well as, printed on 1000 fliers, which will be distributed throughout the community leading up to the event.

In order for your business to be included, we must receive the enclosed donation form by Friday March 11, 2022. Please make checks payable to Blanden Charitable Foundation / Blanden Art Festival.

If you have any questions, please do not hesitate to contact me. Thank you in advance for considering our request and supporting the Blanden Art Museum.
